The screenshot shows the Vets2PM website homepage. The browser address bar contains <https://vets2pm.com/>. A red box highlights the address bar with the text "Go to: www.vets2pm.com". The website header includes the Vets2PM logo and a navigation menu with links for COURSE CALENDAR, HOME, VETERAN TRACK, EMPLOYER SERVICES, ORGANIZATIONAL TRAINING, FAQ, and VLOG | BLOG. A red arrow points to the "COURSE CALENDAR" link with the text "Select Course Calendar". The main content area features a background image of a hand holding a compass. Text on the page includes "LEVERAGE YOUR MILITARY EXPERIENCE FOR YOUR FUTURE", "PMP® Certification Preparation", "Translation of Experience", and "Veteran Job Placement". There are three buttons: "VETERANS" (red), "COURSE CALENDAR" (blue), and "EMPLOYERS" (white). Below this is a section titled "WE HELP MILITARY VETERANS BECOME PROJECT MANAGERS" with a sub-headline "That's because as highly-decorated, multi-era Military Veterans and successful, credentialed Project Managers ourselves, we know that many Military Veterans have enough significant project management experience, talent and interpersonal skills to secure meaningful, lucrative, familiar post-Service careers as Project Managers." A "WHY US?" section is partially visible at the bottom.

The screenshot shows the "Course Calendar" page on the Vets2PM website. The browser address bar contains <https://vets2pm.com/calendar/>. The website header is identical to the homepage. The main content area features a background image of a desk with a calendar, a folder, and a newspaper. The text "COURSE CALENDAR" is prominently displayed, with the sub-headline "Live-Onsite or Live-Online Options Available!".
