

DoD SkillBridge Program

Enjoy the benefits of hosting, and potentially hiring, Residents (Interns) who will bring immeasurable value to your organization!

What is SkillBridge?

The DoD SkillBridge program is an opportunity for service members to gain valuable civilian work experience through specific industry training, apprenticeships, or internships during their last 180 days (6 months) of service.

As a DoD approved SkillBridge provider, Vets2PM can facilitate your organization hosting a SkillBridge Intern for OJT for up to 180 days (average OJT time is 4+ months).

Why Vets2PM?

Vets2PM has taken an existing program and improved it by:

- **Developing DoD SkillBridge 'Tracks,' which include Project Management, IT/Cyber, HR, and Operational Management.**
- **Including industry-recognized certification training (PMP and Scrum for Project Management; CompTIA Security+ for IT/Cyber; aPHR for Human Resources, and Certified Manager (CM) for General Management.)**
- **Facilitating Internships that are outside those Tracks if you have a unique need / interest through our 'Administration Only' option.**
- **Ensuring each Intern is pre-certified for the DoL Work Opportunity Tax Credit (WOTC), so your organization can take advantage of this valuable tax credit for hiring veterans.**
- **Administering the program for you (you have your own business to attend to), and managing DoD compliance, metrics, and reporting.**
- **Presenting candidates you likely would never see, who come with experience, education, credentials, and security clearances.**
